Accessories:	Storage bag, windshield
Article No.:	8018505 Optimus Vega

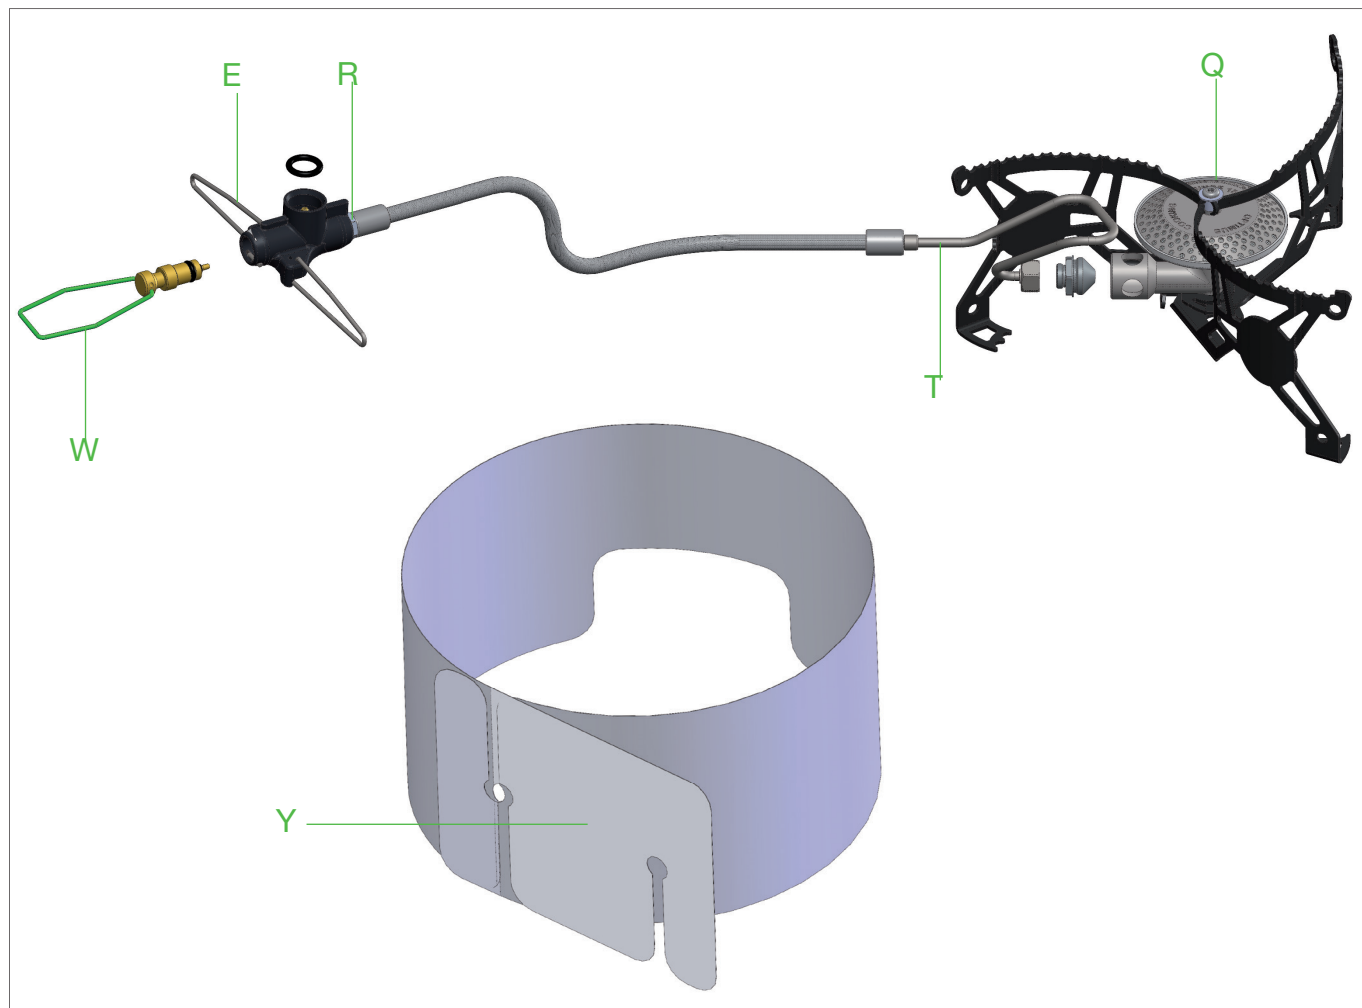

FACTS

- Gas cartridge linked to the stove through a hose > lowest center of gravity in its class for highest stability
- Integrated 4 season liquid gas mode > for cooking in cold conditions and to reduce cooking time by as much as 20%
- Integrated support legs on valve housing > no loose parts
- Easily rotatable valve housing > just open support legs and turn gas cartridge upside down
- With a mere 178 g one of the lightest stoves in its class
- Precise flame control > simmering without burning
- Windshield with two setting positions > adjusts perfectly to the size of the pot
- Windshield with rounded corners for easy handling
